

Lifeline 2012

How can my church be a LIFELINE Church?

- A. Establish a vision for a **new** Church in a community, OR propose assistance to **create** a dynamic new ministry!
- B. The vision/need is **shared** with potential church partners in the target area
- C. An action plan for the vision is created through **prayer**, and INCLUDES:
 - 1. written focus of the new ministry/need with projected outcomes in local community
 - 2. professional assessment of those who will be in pastoral leadership
 - 3. development of a core team of gifted, effective leaders
 - 4. professional training of pastoral leadership and leadership core
 - 5. identifying church(es) who will sponsor, birth, and nurture new ministry
 - 6. development of financial resources
 - 7. strategic creation of ministries at the heart of the new ministry's mission
 - 8. establishment of an objective source of accountability
 - 9. complete report of current finances of host church
 - 10. present an official proposal to the District Advisory Board for consideration and approval!
