

Do you need a personal retreat, a mini sabbatical, personal development, spiritual direction, individual or relational counseling?

**The Respite Fund was established** out of a deep concern for the personal care and well-being of the pastors ministering on the Sacramento District. It is designed to provide focused time for personal growth and development, away from normal routines, in hopes that you will be renewed, and revitalized. **It exists to create space for respite.**

**The Respite Fund is available to** full-time assigned licensed or ordained ministers of the Sacramento District as a supplemental form of assistance.

**The Respite Fund provides assistance** to individuals of up to \$500.00 and is available every two years, approved upon request. Further financial assistance is available for crisis counseling situations, up to \$1,500.00 per individual.

**The Respite Fund requires** an application from the individual and endorsement by the local church board secretary submitted to the District Advisory Board. An accountability report and evaluation will be requested upon the conclusion of your personal time.
